The Stelvio brings together Moto Guzzi character with state-of-the-art performance, design and an 8.5 gallon gas tank perfect for long distance riding. This is a fantastic alternative to the BMW & Triumph offerings that most people are drawn to. This bike is built for distance with the huge fuel tank, comfortable seating and standing position as well as looks that will turn heads wherever you go on or off the roads. Having only covered 6000 miles from new this bike is begging to be ridden, you can if you wish add Moto Guzzi's aluminium luggage which is definitely worth doing if touring is your plan with this stunning machine. The bike is set up by Moto Guzzi ready to go with ABS, Brembo radial brakes, spoke wheels, stainless pipes, hand guards with reservoir covers & adjustable screen. However the previous owner wanted to make sure they were completely ready for anything by adding Bridgestone Battlax T30 tyres. Why follow the crowd, be unique and special and indulge in this wild Italian mountain Lion for only £7995. REF
