

Rare opportunity to own a cult classic Honda CB-1 NC27 (this one is rarer still, as it's a MK2)!  
it's in good condition mechanically and electrically.  
runs/rides great, Loads Of Fun to ride.  
lots of money spent over the years. has had replacement exhaust gaskets and bolts, replacement radiator and fan, coolant, replacement clocks (actual mileage is 39360).  
new choke cable.  
new mot (until July 2017).  
i have all the old mot's from since i've had it, which will also prove the mileage.  
always goes through the mot without problems.  
has a custom made carbon fibre exhaust (done by one of the previous owners) with DB Killer fitted.  
carbon fibre effect, black, rear indicators.  
tank was recently vandalized (a couple of areas had the paint chipped off).  
i have re-sprayed these bits, so doesn't look perfect.  
the seat has a little repair patch on the rhs but is great otherwise.  
the rear/seat cowling has a piece missing just where the rectifier is (i think it was done deliberately by one of the previous owners, to ensure better cooling/air flow for the rectifier, as they are prone to overheating on Honda's).  
and the rhs stay is broken off, so it droops a bit.  
sprockets and chain are good, tyres are good, though front tread in the centre is slowly, slowly getting there.

<p>the forks and seals are perfect</p>  <p>had a new front brake master cylinder replaced with a new front master cylinder with a new switch, good as new. I'd a little bit of steel bars, a new brake cable, a new brake pump, a new brake nipple, a new fuel battery, a new fuel filter, a new brand new mirrors.</p> <p><a href="https://www.freemove.com/20-z/">https://www.freemove.com/20-z/</a></p>	 <p>Carbs could probably do with balancing but not a problem at all.</p> <p><a href="https://www.freemove.com/20-z/">https://www.freemove.com/20-z/</a></p>	 <p>I will include the original front brake caliper (seized bleed nipple) and a brand new pair of front brake pads.</p> <p><a href="https://www.freemove.com/20-z/">https://www.freemove.com/20-z/</a></p>	 <p>this is a 25 year old bike that lives outside and by the sea. So, of course it's not showroom condition or gleaming clean.</p> <p><a href="https://www.freemove.com/20-z/">https://www.freemove.com/20-z/</a></p>	 <p>any questions, ask away. £1125 sold as seen ;</p> <p><a href="https://www.freemove.com/20-z/">https://www.freemove.com/20-z/</a></p>
