

Minelab Excalibur II re-chargeable battery (85 GBP)

Location **North, South Wirral**

As new used once Minelab Excalibur II re-chargeable battery cost £120 selling now as this is surplus to my requirements as I do not use this model of detector anymore so if you have one and are after a spare why pay a dealers price when you can have this at much less cost saving yourself money. Buyer can collect or postage and packing is free thanks for.
