Here is my beloved VW Beetle 2003 TDI diesel. I have owned it for nearly 3yrs now and in that time it has never let me down. It has been an amazing car and a joy to drive but unfortunately my bug just isn't big enough for the amount of stuff I have to carry around for my horse riding. Bug comes with service history, heated front seats perfect for those cold winter mornings, cam belt changed at 108 000, recent alternator and service. Mot until January 2017. Due to the low ride height on a beetle I invested in a MK4 Panzer Plate Heavy Duty Aluminum Skid Plate to protect the underside of the engine. So If you think you can give my bug a good home please give me a.
