

Kawai KDP-90 Digital Piano Rosewood Finish (599 GBP)

Location **South East, East Sussex**  
<https://www.freeadsz.co.uk/x-422658-z>

The Kawai KDP-90 delivers a completely authentic playing experience thanks to its 88 note, advanced hammer action IV-F keyboard system. This springless technology and sturdy construction delivers a consistent and natural up and down motion that brings you as close as can be to an acoustic playing experience. Even the most discerning pianists will be impressed with the delicate control and accurate response.

Some flood damage to the feet, predominantly the left side, but it's purely aesthetic and does not affect the piano in any other way.
