Got this little beauty for sale (belongs to my missus).
 It's a 125cc twist and go, styled on sixties Vespa . It was bought brand new 3 years ago but has been stored away for the last 18 months. It's just flown through it's first MOT!
 It always starts first time, electric start, purrs like a kitten but goes like a rocket!
 It's got a Vespa back rack fitted, white wall tyres, and I'll even throw in a cover.

This bike was only used for getting around town and has only done 2124 miles.
 (Small crack on foot panel). A fantastic looking and reliable scooter, originally cost £1995, but will let it go for £995. Portsmouth.
