I have a litter of the most adorable chug puppies with two boys and three girls. They are 8 weeks old and have had their first vaccinations, microchips and are wormed up to date. The mother is a 5 generation pedigree pug with the most wonderful temperament. She is a lovely pet dog who is fun, kind, intelligent and loves the children. The father is a golden Chihuahua who was selected because of his calm, friendly and kind nature. The puppies are very tiny, incredibly cute and full of fun! They are lively, confident and healthy and all have inherited their parent's lovely temperaments. They have been brought up around children and they are very affectionate and happy little characters. They will all make lovely family pets and I am seeking the best homes for them. 07535040602 075350406...(click to reveal full phone)
