South East, West Sussex

Brand new, never been worn, still in original packaging.

The faces, kanji and shoelaces glow in the dark.

I bought them for my daughter's 16th birthday but they were too small. I ordered a UK 7 (41) because that's what she wears. However, these were more like a 6 (39).

They come with an extra set of plain laces and a green storage bag. COLLECTION
