Join us at Light of the World Ministries for Sunday morning services, EVERY SUNDAY.

We are a vibrant Pentecostal community of believers focused on following Christ's example, growing in spirituality and reaching out on a practical and spiritual level to the community.

All are warmly welcomed into an atmosphere of prayer and praise & worship followed by teaching from the word of God. Refreshments are served after service.

Services held in the Scouts Hall in South Woodford, situated behind South Woodford Health Centre and Library.
