FIV / FELV negative  
 PKD NORMAL  
 GCCF registered  
 Ready now - 11 weeks old.

I have one gorgeous girl available from my litter of Blue kittens. She is fully vaccinated and microchipped, wormed and deflead and will come with a weeks supply of wet and dry food, blanket and toys. She can be seen with mum, my registered lilac, who has a fabulous temperament and her siblings. My kittens are handled daily by the whole family and spend time indoors so are used to noise from the washing machine, television etc and the outdoor sounds of barking dogs, lawn mowers etc. Dad is Imperial Grand Champion, Malric Majic Mushroom who is a fantastic specimen of the breed. She is available for viewing and can leave any.
