Hi, for sale I have a Carrera Sulcata mountain bike, which is virtually brand new. I bought the bike on the 8th of August, have ridden it twice and not since. I still have all the original documents and receipts, I bought a 3 year care plan for the bike, which includes servicing etc and comes with the bike. The bike is completely spotless and is as if it's straight off the shop floor. The reason I'm selling it is because I've decided to get a motorbike. Any questions please feel free to:)
