

Black Charge pan leather bicycle saddle -bought for bike project but never built - orig

https://www.freeadsz.co.uk/x-423802-z

Weight - 325g

Use - All Purpose

Rail - Chromoly

Material - Leather Upper The Charge 2013 Pan Saddle is lower profile and lighter weight that the Bucket but plusher and fuller than the Spoon. Featuring a cut-away pressure relief channel top profile, similar to the Spoon, it's been designed to really eat up the miles, whether Mountain Biking, touring or commuting. Using deep grain leather and heavy detail stitching, they have designed one of the most luxurious and striking saddles yet. The rear is externally seamed and finished in red contrasting.
