LEEDS/WEST YORKS students, conferences, wedding-planners, party-heads, DJs, promoters, venues...are you looking to hire a PA? You can sort out your own DJs/decks if you want to, or put a playlist together on your mp3-player/iPad/iPod/laptop etc, or for extra fees, maybe I can supply your DJs/decks and/or live music acts/equipment too, depending on genres (we DON'T do commercial pop-chart/r&b music, but can do underground techno/breaks/dubstep/d&b/jungle/hip-hop and lots of other sub-genres of electronica, classic funk/soul, reggae, blues, punk, rock, ska...etc.). Message me via the email address. I have a 4kw (peak power) system, which can be split up for smaller parties/gigs. Prices include delivery (extra petrol charge if outside of Leeds), set-up, sound-check. £100 for small parties (0 - 50 people), £150 for medium parties (50 - 150 people), £200 for larger parties (150 - 300 people). Discounts are available to friends and causes/charities at our discretion. Live music events cost more, as you'll be paying for sound-engineering and more equipment...prices depend on your requirements. If we don't know you, we'll need to see photo-ID and addressed utility bill or such-like before handing over, and you will be held liable if culpable for any non-cosmetic damage or losses (within reason). You can pay cash on delivery, but we'll only consider your event fully confirmed with us if you pay a £50 deposit; if you don't pay it initially and someone asks for the same date, we'll give you first refusal to pay a deposit up front. Let me know what you're after, and I'll see what I can do..;)
