

Website, Marketing, or Administrative Work Wanted

Location

London, London

<https://www.freeadsz.co.uk/x-424269-z>

I'm an experienced business administrator looking for a part-time job. I'm also an experienced A.A.T. qualified bookkeeper and experienced qualified website developer.

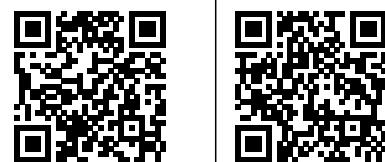

My experience is mainly in bookkeeping, WordPress website development and maintenance, content marketing, proofreading, editing, writing, and general administration.

As a diligent and honest worker, I pay close attention to detail, with a high standard of spelling and grammar. I am flexible, and at present I am available immediately.

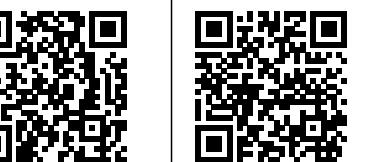

Please contact me to discuss or ask anything relevant. No time-wasters, please!
Thanks, .
