Overall very good condition, not really noticeable small crack and stain on the right corner area. Crack is white paint covered, not easy to be seen if you don't know where it is and not affected daily use. Stain easy to remove if you would like to do it. Very functional bed, can be easily used as a single or double bed, with three large drawers. From clean and smoke free home. Two clean Sultan Mattresses included. Can be dismantled and delivered locally in easy to join parts or you can dismantle as you like. I can deliver in some distance for the fuel cost.
