I have for sale over 250 brands of perfumes and aftershaves at very attractive prices !! They are all genuine, original, high street, branded perfume testers with capacity of 80ml, 100ml and more. Testers have more concentrated ingredients, which means the smell is more intense than the usual perfumes, therefore they are more durable and stay on the skin and clothes for several days. I am sure you have noticed that the testers which you tried in the store were more intense and lasted longer. It is just a marketing trick. :) The perfumes come directly from a manufacturer. They may be delivered in non-retail packaging, such as a plain or unprinted box or tester box. However they all are sealed and brand new.

Prices vary depending on the brand and capacity. Usually they are £10, £15 less than the shop price. Grab a bargain!

Perfect for a gift for upcoming Christmas or for personal use.

Safe payment via PayPal. Money back guarantee.
