http://www.phpscriptsmall.com/product/model-agency-script/ The Fashion Industry, the "Launch Pad of Stardom", is an Industry where every teen aspires to be. Besides being highly paid, this Glamorous Industry has seldom witnessed a downward trend on their income. Shortage of Specialized Model Agencies has led the dream of these Aspiring Youths fulfilled by Entrepreneurs, aware of the economic advantages in this industry. To assist these entrepreneurs we have come up with this idea of "Specialized Model Agency Manager Script","Model Agency Website Templates" and "Model Website Script" Through this Model Agency Script, with a simple registration formality and Creative Portfolio Maker, every aspiring model can submit their vital statistics (customizable) to the Model Agency and complete their first step to Stardom. Since this is not country specific, models across nations can provide their personal data to your agency. You can utilize these data in securing Advertisement Contracts and Commissions thereon. Fashion Industry with its vast appetite for "New Faces" is always on the lookout for "New Faces". The provision to add Images and Videos into personal Portfolio of Individual models integrated into this Model Agency Script is the best you could ask for, in fraction of the cost required by other PHP Script Developers.
