

TRIO midi-size A-5X stereo integrated amplifier - 40 watts RMS per channel (40 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-424878-z>

Splitting more of my Trio-Kenwood equipment. This amplifier has a nice clear sound and is in great cosmetic condition. Basic spec is 40 watts RMS per channel stereo into 8 ohms, frequency response 10Hz to 50kHz, THD 0.06% and S/N ratio 73dB (MM) and 100dB (line). It's unusual in that it has a microphone socket and mic mixing control. Input selectors:- Phono (turntable), Tape 1, Tape 2, CD, Aux (for MP3 player, iPod etc.) and Tuner. Size is 340X360X110mm (WDXH). Happy to demonstrate. Cash on.
