My name is Jo,i am a 43 year old woman, currently training as an EFT Practitioner. I am almost at the end of the course, and am looking for people to do some practical sessions on in my home in Shoreham, although i would consider home visits too (depending on area etc). The session would last 45 mins. EFT can be used to treat a variety of issues including depression, anxiety, addictions, low self esteem, traumatic memories, etc, and can often bring relief within minutes.
