Hi couple in 40s and 50s looking for long term rental, would love a bungalow or a house, 2 bedroom with garden. We work and have references. Currently live next door to our landlord who has been great. Anywhere from Leybourne, East Malling, Larkfield. Other areas considered. Happy to do our own decorating. Private rent only. We do have to give a months notice. Happy to do a months deposit and a months rent when we move in. Thank.
