A quiet, spacious flat within walking distance to Finchley Central tube station. Close to Victoria Park, excellent neighbors, and well-furnished!

I'm the current tenant at this flat, and have a contract until February with a £1300 rent per calendar month. I have to leave the flat for personal reasons, and am trying to re-let it.

The place is in excellent condition, and will be handed professionally cleaned. It features a huge master bedroom, a standard second bedroom with balcony access, and a spacious living room. It's located in a very quiet cul-de-sac, about 10 minutes away from the high street.

Comes furnished with a bed, wardrobe, chest of drawers, sofa, large fridge/freezer (and all other kitchen utilities).

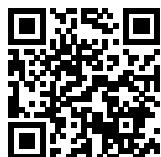

We are looking for the following:

- * Ideally 2 tenants.
- * No pets.
- * No smoking.
- * Steady jobs.
