

Lovely 15.2 Irish Cob X mare for share (10 GBP)

Location **South East, West Sussex**

Sharer required 2-3 days a week for my lovely 15 year old mare. Situated between Balcombe and Ardingly village, with countryside hacking available as well as a flood lit sand school on site.

I am looking for a mature and sensible rider to exercise and share usual yard duties. I am very flexible on days but would prefer 1 weekend and 1 or 2 weekdays. A financial contribution of £10 per day will be asked for.

My mare is fairly well schooled, although still requires some work. She hacks alone and in company, but can be nervous/green with tractors, motorbikes, trailers (anything loud and scary!!). She requires a confident rider who is able to reassure her in these situations, and not a nervous rider. For these reasons, I will not be taking anyone who has just left a riding school and looking for their first horse share - sorry! She has a lovely kind temperament, and loves to have a fuss made of her. If you have any questions that you would like to ask, please send me an email. Thank you for.
