The stylists at Vauxhall really come up trumps with the design of the Insignia back in 2008 when it first launched onto UK roads. The cars sleek and smooth exterior helps to make the Insignia almost coupe-like in its appearance. The SRI Comes with a Full Service History With 6 Stamps in the service book, Plus a Comprehensive Multi Point Check. This SRI model comes equipped with the 2.0 CDTi Diesel engine really does mean that the drive is impressive and the vehicle is not only strong but very frugal returning a maximum of 54.3 MPG, very impressive figures for such a luxury car. So how about comfort, well the Insignia has it in bucket loads! The interior is a place of pure relaxation with Electric adjusting Front Seats & Cruise Control offering up that extra bit of comfort and ease whilst eating up the motorway miles. Here at acar2go we always put more value into our cars and this Insignia is no exception. This is a very rare car and will not be on our forecourt for long. Remember acar2go....."Pay Less and Get More!" Finance is available
