This little Polo we have here is a real gem of a car and of course being a Volkswagen, from the off you know you will get fantastic build quality, excellent reliability, and amazing value for money. The Polo is right at the top of the tree when it comes to the small hatchback category due to the reasons above, However don't be deceived when we say 'small', this 5 door model is compact enough to nip around town, but also has more than enough space for you and all your friends or family to enjoy a comfortable ride whether it be a short journey around town, or even a run up the motorway. This little gem is equipped with the 1.4 litre petrol engine, finished in a stunning Silver colour really makes this stand out from the rest. Cars like this little stunner tend to sell like hot cakes, so get in first by coming to see it for yourself here at acar2go. Remember acar2go Aston Clinton where you Pay Less & Get More!
