If you are looking for a small diesel car that is extremely cheap to tax, low insurance group and with a combined mpg of 83.1 then look no further as the car for you has just arrived on our forecourt! The Polo is marketed as a 'big small car', and it does make a lot of sense if you're looking for a compact alternative to the Golf. Above all, it looks the real deal, from the flawless paint finish and subdued styling to the chunky stance and huge VW badges. The fully-galvanised body shell and German integrity mean it would be ideal if you're in the market for a car for the long run too. In the super-mini sector the Polo is widely regarded as one of the best-built. Volkswagen is renowned for its impressive build quality, and the chance to buy it in all its glory for so little makes the Polo one of the most well-respected super-minis on the market. This Brilliant car has been exceptionally well looked after and has also just been freshly serviced by our workshop here at acar2go. Blink twice then you really will miss out and would never forgive yourself, so to avoid disappointment simply pick up the phone and give us a call, it really is that easy.
