If it's a practical four door city car you are looking for then this great looking Skoda Citigo is definitely worth consideration. This fun little car which seats four adults comes from the VW family so quality is not an issue and its 1.0 litre petrol engine can return up to 65 MPG. Underneath the Skoda badges this is the same as the more expensive VW UP and the Citigo is highly rated by the motoring press, they love the way the car drives and the roomy interior. This example in white which is the most popular colour at the moment is the SE spec with air conditioning and alloy wheels. The incredibly low mileage by one private owner is backed up with a stamp from a Skoda main dealer and we will service the car prior to delivery. Be sure to get here quick as cars like this don't hang about long, every car at acar2go comes with our 3 month no quibble warranty which can be extended by up to 3 years plus the reassurance of buying from a Trading Standards fully approved dealer.

Traction Control, Power Steering, Air Conditioning, CD Player, Multiple Airbags, acar2go Multi-point Check, Alloy Wheels, Just One Owner From New, Front Electric Windows, Front Headrests, Freshly Serviced, Low Mileage, Full Service History, £20 Tax for the Whole
