Here we have another one of our brilliant examples of our current best-selling car, the Nissan Qashqai, and this particular 360 model is the one you want to be with. It's been extremely well looked after, and the specification gives you pretty much anything you would need in a car including SAT NAV, Parking Cameras, Bluetooth and much more. There is a reason why you see so many of these vehicles on the road and that's because in terms of value for money there aren't many others which offer what these do for the price you pay and for that reason we sell them all day long. They're also incredibly practical family vehicles with plenty of space inside as well as a large sized boot and being a Nissan they've an incredible name for themselves and mainly known for being very reliable. If this is what you're currently in the market for then please don't procrastinate as we can only sell it once and when it's gone..... it's gone. Acar2go are Approved by the Trading Standards on the "Buy with Confidence" scheme to give you that all-important peace of mind when buying a new car. Remember acar2go Aston Clinton where you Pay Less and Get more. Finance is available subject to status, Please call for a no obligation quote.
