Here at acar2go we have just taken delivery of this STUNNING 2012 registered Renault Twingo. The Twingo is one of Renault's most popular selling models and it is clear to see why. It is great around town but also will not disappoint on a long motorway run. The boot is plenty big enough for the weekly shop but the car is not compromised on looks. Like the other Renault models in the range you get the stunning French styling that makes the Twingo very easy on the eye, and dare I say it... cute! 'White is the new black' is a phrase commonly heard within the car market and its easy to see why. This one really jumps out at you and really does look the part. This particular vehicle has 4 Service Stamps in the book and is fully HPI clear for that extra piece of mind. Running costs? Well, to tax the car for an ENTIRE YEAR is just £30! Also, you won't be spending a lot of time at the petrol pump either, on a run this car can achieve a whopping 67.2 miles per gallon! At acar2go we are fully Trading Standards approved and on the Buy With Confidence scheme, so why not pop down and see this little gem before it;s too late!
