Advertising for my mate is his 2009 BMW 118d M Sport with 120k on the clock, this car has been very well looked after regardless of the cost, Only 2 Owners from New, it will also come with a New 12 Month Mot. all paperwork is present including the cars History, plus 2 sets of keys, the 2ltr Manual engine is excellent on Diesel. the interior is in great condition and has Half leather seats, with this being the Diesel M Sport Version it's probably more desirable. ...The car tax is ONLY £30 a YEAR... Any Inspection is more than welcome on this motor, it's being priced to sell only, as he already has another motor lined up. all Run Flat Tyres have plenty of life left, Electric Windows Front & Back
