I'm Only looking for £1900 but is definitely worth more but need quick sale. Immaculate condition Honda CBF600s. Really low mileage for its age 10,054 (may change slightly as still in use untill sold). Has heated hand grips, scott oiler, almost new set of tyres and is a very quick bike. Never had any problems with it, always lived in a shelter and covered. Reason for sale is an upgrading.
No offers, no test rides and no time wasters please!
