For personal reasons it is with a heavy heart that we are having to rehome our marlene, she is a lovely girl, she is abit nippy so should be rehomed without children, she is upto date with fleeing and worming, has had first injections and is booked in for second lot on the 19th September. Registered at pengelly and mizen Hampton Hargate Peterborough. I paid for a puppy package so there is a chip included, she has not yet had the chip so will leave it to new owners to register her under them. Marlene needs a loving home with someone who is experienced in dogs and knowledgeable to her breed. home checks will be essential. Please contact me on 07713024534 077130245...(click to reveal full phone number) for any more info, regards Samantha;
