Pretty Little Pooches is based in Whittlesey Peterborough. We are a family run business with professional setup. We groom dogs mainly but under exceptional circumstance will groom the odd cat. We are not in any rush to get animals in and out of our doors because to us your animals come first. We like them to be at ease if not happy and enjoy being here. Most animals hate a bath at the best of times so we do whatever we have to to make the animals time here as stress free as possible even if that means cancelling other appointments to give extra time to the one that needs. i have groomed dogs for nearly 10 years and have pride in what I do. if you have any questions, please ask. If you want something different then just say. Im more than happy to help. prices on request at a price everybody can.
