Can I sublet my caravan to offset my running costs? Well 64% of our owners choose to do this.... We do the national advertising, key handing, linen changes. If you can remember the last time you stayed in a hotel, you went to your room and everything was clean and tidy, there were coffee and tea making facilities, everything was nice and clean. We provide that same service. 2 weeks in July, 2 weeks

in august and maybe a couple off peak weeks covers more than half your site fees that's only 6 weeks , can you imagine what you could do with the rest.? You could also call or text to book an appointment with myself, in this it will give me a chance to show you the facilities we have to offer you and your family, as well as point out some shapes, makes and models of caravans. This appointment will give you everything you need in order to make an informed decision on whether holiday home ownership is for your!
