64% of our owners choose to do this... WHY?

We are the national developer of key holiday homes in the Algarve. I can remember the last time I stayed in a hotel, you know your room and everything was clean and tidy, there was a coffee and a bath, the facilities, even the staff were nice and clean. We provide the same service. We are in July 2015 and it is a new era and maybe you will be off peak every 10 years more than your stay. It is only 10 years, can you imagine what you could do with the rest.? You could also call or text to book an appointment with myself in this it will give me a chance to show you the facilities we have to offer you and your family, as well as point out some shapes makes and models of caravans. This appointment will give you everything you need in order to make an informed decision on whether or not holiday home ownership is for you.
