64% of our owners choose to do this... WHY? Well, for a national holiday home with all the amenities you can rent a caravan last time you were on holiday, you have your room, everything is clean and tidy, there's coffee and tea, a TV, a radio, a stereo, even a nice hot shower. The service is excellent in July, August, September, maybe a couple of peak weeks, but for the rest of the year, your stay is only 64% of the cost. Can you imagine what you could do with the rest.? You could also call or text to book an appointment with us, so you can see the caravan for yourself. It will be a chance to see the facilities we have to offer you and your family, as well as point out some of the shapes and models of caravans. This appointment will give you everything you need in order to make an informed decision on whether holiday home ownership is for you.
