- Show bar with live entertainment every night! Can I sublet my caravan to offset my running costs? Well

64% of our owners choose to do this... WHY?

We offer national live-in key hand, 24/7 on call changes. Just when you need it most. Last time you stayed in a hotel, you were in your room and everything was clean and tidy. There was coffee, breakfast making facilities, even a TV. You were nice and clean. We provide the same service 24/7. In July, it was 11 degrees and maybe a little off peak. In the winter, it was 10 degrees and your stay was only 6 days. Can you imagine what you could do with the rest? You could also call or text to book an appointment with yourself. In this it will give you a chance to show you the facilities we have to offer you and your family, as well as point out some shapes makes and models of caravans. This appointment will give you everything you need in order to make an informed decision on whether or not holiday home ownership is for you.
