Ruby is our practically perfect 8 year old Vizla girl who is looking for a 5\* forever home after her devastated owner was forced to make the heartbreaking decision to let Ruby, who she has had since a puppy, come under Lucky Paws as all possibilities for keeping her have been exhausted Ruby is an absolutely amazing girl, she is exceptionally well trained, is good with absolutely any species of animal (as long as they are dog friendly) and is great with children of all ages. Ruby is extremely loyal and loving, she firmly believes that she is a lap dog so will climb on your knee for cuddles regardless of if she fits or not Ruby needs a home with an active family who can give her lots of exercise – a minimum of 3 hours a day and where someone will be at home with her for the majority of the time as she needs lots of human interaction. She can live with other animals or as an only pet, in a family with or without children, she honestly doesn't care as long as she gets her exercise and cuddles If you can offer the perfect home for Ruby, please get in touch. Home checks and adoption donations do.
