Welcome to the first of four fayres from the Wedding & Events Hub (Midlands) which kicks off at Newlands Bishop Farm, Berry Lane, Catherine de Barnes, Solihull, B91 2RY - this is an amazing charity which has been set up by Danny Adams to support those with a Learning Disability and if you have not been there before you must come along whether you are getting married or not! This project has been set up to support small businesses and start-ups to promote how vital they are in our community and what an excellent service they all provide. 25+ suppliers covering every aspect of a wedding have been brought together to form a group to support each other and grow their brand throughout the Midlands, We are also supporting the smaller venues, who are just as important as the large hotel chains and provide that friendly and personable service to the public. In addition, and very importantly, we are supporting the Midlands Air Ambulance and Air Ambulance Service - without which many people would not be here today! I have not set up this group to make a profit from the fayres, purely to show how amazing all the small businesses are. Other dates/venues are as follows: 23/10/16 Sir John Moore Foundation, Top St, Appleby Magna

06/11/16 Pype Hayes Golf Club, Birmingham

27/11/16 Plough & Harrow Hotel, Edgbaston, Birmingham BRIDES & GROOMS to be: enter our raffle to win a romantic break for two whilst at the same time support our charity the Air Ambulance Events
