Superb quality Scott hybrid/commuter bike. Simple, light and fast. Join the single-speed revolution! Frame is 6061 alloy and is labeled as a 'small', but measures 17.5" - so rides and feels more like a medium. Suggested rider height 5' 6" to 5' 10".

700C wheels fitted with Schwalbe Citizen tyres, rigid but forgiving forks, XCR alloy cranks and quality alloy V brakes front and rear. Comes with derailleur hanger and rear disc brake mount should you ever want to change things around.

Also included are a rear carrier and full mudguards, as pictured. A great ride, and just professionally.
