GENERIC STOCK PHOTO - WILL BE UPDATED TO ACTUAL ON RETURN FROM HOLIDAY 10TH SEPTEMBER 2016. For Sale I have my Ipad Pro 32GB , and apple keyboard (alone worth £120.00). The Ipad is approximately 8 months old. The Ipad works and no functions are unusable however there is a very very slight bend to the Ipad Body and a small dimple to the rear, when the Ipad is in a case the Ipad completely straightens and the dent is hidden the dent is small than a pea and the bend is minimal, however as an honest trustworthy seller I have listed these faults , I could get away with out saying there is a bend as it is only just visible. For this reason I am open to offers already on a very good price. I am currently (at time of posting ad) away on holiday and will be back in Peterborough from Saturday 10th September 2016, I will accept cash or PayPal and collection from PE2. Please no time wasters feel free to contact me anytime with any queries or.
