

Black Russian Blue Kittens for sale (50 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-427035-z>

We adopted a pregnant cat over the summer who had 4 gorgeous little kittens! They are now 9 weeks old and looking for homes to go to. The grey one has been reserved but we have 3 male kittens left. We have been using flea prevention treatment and worming tablets. But they will need to be vaccinated as the new owners would need to register their kitten at their own vets for a check up etc. £50 each Serious enquires only please. ;
