Hi, My names Rob. I am professional musician/engineer with 25+ years experience I teach many aspects of music * Electric Guitar (for beginners £25 per hour) * Acoustic Guitar (for beginners £25 per hour) * Electric Bass (for beginners £25 per hour) * Analogue Synthesisers (Using a Modular System & Minimoog) (beginners £30 per hour Intermediate to advanced £40 per hour) * Music Technology (beginners £30 per hour Intermediate to advanced £40 per hour)
(Sound engineering from setting up you first studio to the advanced Music Tech Hardware and Software equipment) It's very important to have a nice instrument
As having a poor one can greatly hinder your advancement.
I can advise on buying the correct one for you - which will make learning so much easier if it's nice and easy to play. For Guitar Instruments
I can teach from home in Shoreham (I have a nice environment to learn in, not far from the beach) or I can come to you if you're based in Brighton - Worthing etc (within 10 miles of Shoreham basically) For Music Tech, this may be possible depending on what you wish to.
