<https://www.freeadsz.co.uk/x-427203-z>

Come and join us for one of the best community events of the year. There will be delicious BBQ food and refreshments, live music (three fantastic bands/artists from around Hampshire), pumpkin sales, scarecrow competitions, free children's craft activities, face painting, craft stalls and so much more. Bring the children, mum, dad, the grandparents - and anyone else who wants to come along! Come and visit your favourite animals and enjoy the rich autumnal colours of the farm in fall. We've got a rare breed cow, goats, sheep, pigs, chickens, ducks, geese, turkeys, rabbits, guinea pigs, a gecko, skink, snake, bearded dragons, rats, degus, hedgehog, tortoise, cockroaches, millipede and so much more! Feel like getting crafty? Bring along your home-made scarecrow and we'll display it around the farm to win the best scarecrow!
