

Professional music writing for your project web blog TV film

Location

London, London

<https://www.freeadsz.co.uk/x-427229-z>

Professional and experienced individual music writing for web video, short films, blogs, TV or anything else you can think of! Each job treated separately, and each track created to your specifications for your individual project. Years of experience, professional set up and a friendly service - more than happy to discuss appropriate fees for small / startup projects. We look forward to hearing from!
