Action Man Childrens bike. (Suit: 3 yrs to 5 yrs). Suit Rider Height approx: 3 foot 1 inch to 3 foot 7 inch tall. Suit Rider Height approx: (95 cm to 110 cm) Suit Rider Age approx: 3 yrs to 5 yrs. -----
This has just been serviced by a professional mechanic, and the brake cables were replaced as a precautionary measure. This came to me with a pedal missing! And that's something I come across often, and I do wish bike manufacturers of small bikes would realise that kids will drop bikes, and that bikes should come with more robust pedals than the plastic ones they supply! It would seem that with pedal missing, previous rider had outgrown the bike without getting full use out of it, and hence why this bike is in very good condition. I have changed the pedals to BMX pedals which are a lot more robust (as BMX's are meant to be thrown about!) lol. Condition: Everything working as it should. There are a few scuff marks and scratches to the paintwork and graphics. ----- Specifications: Colour: Orange & Black Frame material: Hi Tensile Steel, Frames size: 9 inch Wheel Size: 14 inch, Wheel material: Aluminium Tyres : Kenda 14 x 1.95 Brakes: Calipers. ----- Collection: From B69, Oldbury, approx 1 mile from town centre. Delivery: May deliver.
