First registered September 2010, owned by myself from March 2011 when mileage 2,278 (one previous owner was Audi management). Next MOT due 01/09/2017, factory fitted Parking Sensors (rear), Dual Climate Control, Pearlescent Paint, Sport Model, Start Stop function. £130 Vehicle Tax. Drives beautifully. Regularly and fully serviced at the Audi main dealership from which purchased it. The 1.4 Turbo combines power when needed with economical fuel consumption, I have found the stated 48.7mpg combined to be very accurate and I often achieve even more mpg. This Sport model has extra features including driver's information system, fog lamps, sports seats, dual climate control, Audi "Concert" Radio/CD, rear as well as well as front speakers. Last service was a major service 3600 miles ago, so next service should be oil change only, due in 6 months time. All service history and MOT documentation is available. The car has mostly been kept in a garage. The driver's information system operated from the leather steering wheel is very useful for average mpg, number of miles range, service reminders, and the radio can also be operated from the steering wheel. AUX-IN socket for connecting mobile phone, iPod, etc, unused spare wheel, 2 keys. Other features include: Electric windows, Air conditioning, Height adjustable driver's seat, Height adjustable passenger seat, Folding rear seats, Child seat points (Isofix system), Power steering, Steering wheel rake and reach adjustment, Traction control, Central locking, Alarm, Immobiliser, Driver's airbags, Side airbags, Passenger airbags. 01825 769244 01825 7692...(click to reveal full phone number) 07761681708 077616817...(click to reveal full phone)
