HP ENVY laptop for sale! The PC shows signs of normal wear and tear as to be expected, but looks great over all. The original 500gb Hard-Drive has been removed and replaced for increased capacity. Specs; Windows 10 Professional operating system (fully activated) Intel Core i7-3517u (1.9GHz with turbo to 3GHz) 2gb AMD Radeon HD 8750m (also known as 8600/8700m) 1000gb Hard-Drive for storage 256gb Solid State Drive (operating system boots from this drive in around 12 seconds) 8gb RAM All of the newest drivers and system updates have been installed. The laptop is a real pleasure to use. Just turn on and you're ready to go! I am selling it as I use a company laptop 95% of the time, and so my personal laptop is not getting the use it deserves, and the money from the sale would come in very handy! The laptop will come with a new official charger (bought a few weeks ago but has been used since). Optional extra items; HP laptop bag – good condition - £5 TeckNet laptop cooling tray/pad – new, used once. In original packaging - £5 Wired XBOX 360 controller – new, used once - £10 The laptop can be used for gaming. Any questions, please feel free to ask. I am open to offers on this item. I am happy to deliver within 2.5 miles for free, or 10 miles for £5. I will not, under any circumstances, be posting or shipping this item or accepting payment through.
