

Saab 9-5 (3,900 GBP)

Location **Wales, South Glamorgan**
<https://www.freeadsz.co.uk/x-427699-z>

First registered on the 30th of May 2007 (07) this is a 76,000 mile Saab dealer pre-registered and two subsequent keeper vehicle, finished in Fusion Blue with the dark Obsidian half Leather and Even Thilia textile interior.

Specification includes the Saab 1.9 TiD 150 bhp 16 valve DTH turbo diesel engine with a 5 speed manual gearbox, 17" Saab Alloy Wheels, ABS, Climate Control with Air Conditioning, Cruise Control, Driver and front seat passengers front and side Airbags, 60/40 split fold down rear seats, Electronic Stability Program, Saab multi waveband radio with CD player and steering wheel mounted controls, Saab Information Display, Remote Central Locking and Alarm.

This good looking vehicle came to me as a part exchange against newer model Saab, it had a new cam belt and water pump fitted at 54,550 miles by the Cardiff based Saab specialist Gary Blake and its most recent Main service was performed in June of this year at 70,414 miles by KC motors of Milford Haven, however as part of my usual preparation procedure of the vehicle for its next owner the car will have a full inspection by my preferred local independent Saab service and repair specialists.
 ABS, Climate Control, Cruise
