Please see for sale my ZX6r J1. This bike is in great condition for the age, the faring does have a few age related marks as you can hopefully see on the pictures but other than that everything works great. I have added a few extras recently. These items include Powder coated wheels, that now look brand newNew front shock sealsNew indicatorsNew Carbon Fibre Micron race canNew fairing boltsNew crash mushrooms.New TyresNew BatteryFull MOT Due to work commitments I have found I have used the bike less and less over the last couple of years this is the only reason for the sale. The bike has done less than 16500 miles. I will include with the bike two scorpion bike stands Cheers
