A very presentable example. Bodywork very straight bar a small dent in the boot lid (pictured) and a small scrape on the N/S rear wheel arch. Being a 2003 model it benefits from the later and much improved Duratec engine. Features include power steering, electric windows, Air Conditioning and CD player. I have owned the car since February and it has been 100% reliable. My reason for sale is impending fatherhood means I will soon need five doors and more!
